

Domain Name Registration Regulations for ICANN domains

1. These regulations apply to every registration of a domain name with a TLD that comes under the jurisdiction of ICANN and that is carried out on behalf of the registrant by The Registrar Company B.V., a The Netherlands corporation, with its principal place of business located at Theemsweg 73, 3201LT, Spijkenisse, The Netherlands (hereinafter referred to as: Registrar).

Contact information

2. The registrant is obliged to provide accurate and reliable contact information, including at least the full name, street name, house number, postal code, place of residence, e-mail addresses and telephone number. A fax number must be given if available. The registrant is obliged to report any changes to these details immediately and to correct any mistakes. The registrant is obliged to provide the above contact details for both a technical and administrative contact person.
3. Various contact profiles can be registered for domain names:

Domain name holder	-	The owner of the domain
Administrative contact	-	Contact profile for administrative matters
Technical contact	-	Contact profile for technical matters
Billing contact	-	Contact profile for invoicing
4. If the registration is made in the name of an organisation, cooperative, foundation or association, the registrant must give contact details, as referred to in Article 1, of a contact person who is authorised to represent the organisation.
5. Upon registration, the registrant must state the primary and secondary name servers for the domain names to be registered.
6. The Registrar may ask the registrant questions about the accuracy and reliability of the registered contact details. The registrant has 15 calendar days to respond to such questions.
7. The Registrar is entitled to terminate the domain registration if the registrant fails to comply with Article 5 and if the registrant deliberately provides incorrect or unreliable information.

8. It is the registrant's responsibility to provide his own contact details in accordance with the previous articles, even if the registrant intends to make the domain name available for use by another party.
9. If the registrant makes the domain name available for use by another party, the registrant is liable for any unlawful act or omission by that other party, unless the registrant immediately releases the contact information of the other party once the registrant has been able to identify any reasonable evidence of damage or losses for which liability would exist.

Restricted use of personal data

10. The Registrar uses the personal data provided by the registrant for domain name management purposes only. Upon registration, contact details are submitted to the relevant registry (Registry Operator, according to the ICANN definition), who will not publish these details. If the registrant has requested the registration through an authorised reseller, the reseller also has access to the contact details.
11. The registrant is obliged to provide all (contact) details referred to in Articles 1 to 4. Depending on the registry, additional personal data may be required.
12. The registrant can consult the personal data and change them if necessary by sending a request to the Registrar or, if applicable, to the authorised reseller.
13. The registrant agrees to the policy set out above with regard to his personal data.
14. The registrant guarantees that he is authorised to provide the personal data that are required to be provided by virtue of these regulations, and that all persons to whom the data relate have agreed with the personal data policy set out above.
15. The Registrar has taken adequate technical and organisational security measures in order to prevent the unauthorised processing of personal data and to protect personal data against loss, misuse, unauthorised access, distribution, changes or destruction.

No infringing domain names

16. The registrant guarantees that, in his honest opinion, the registration of the domain name will not infringe any third-party rights whatsoever.

Competent court

17. Unless a different court is exclusively competent by virtue of mandatory law, both the court in the court district of the Registrar and the court in the court district of the registrant can have jurisdiction in disputes concerning the use of the domain name.

Suspension, cancellation or transfer by ICANN

18. The registrant agrees that the registration of the domain name may be subject to suspension, cancellation or transfer by ICANN, on the basis of ICANN specifications or policies, or on the basis of the Registrar's failure to comply with them, with the objective of (1) remedying the registration mistakes of the Registrar or registry operator or (2) settling disputes about the domain name.

Obligations Related to Provision of Registrar Services by Third Parties.

19. Reseller must enter into written agreements with Registrar that enable Registrar to comply with and perform all of its obligations under this Agreement and the ICANN Registrar Accreditation Agreement.
20. Resellers do not display the ICANN or ICANN-Accredited Registrar logo, or otherwise represent themselves as Accredited by ICANN, unless they have written permission from ICANN to do so.
21. Any registration agreement used by reseller shall include all registration agreement provisions and notices required by the ICANN Registrar Accreditation Agreement and any ICANN Consensus Policies, and shall identify the sponsoring registrar or provide a means for identifying the sponsoring registrar.
22. Resellers needs to identify the sponsoring registrar upon inquiry from the customer.
23. Resellers may not offer any proxy services.
24. Resellers must offer customers a link to an ICANN webpage detailing registrant educational information: <http://www.icann.org/en/registrars/registrar-rights-responsibilities-en.htm>
Reseller shall provide a link to such webpage on any website it may operate for domain name registration or renewal clearly displayed to its Registered Name Holders.
25. In the event Registrar learns that a Reseller is causing Registrar to be in breach of any of the provisions of this Agreement Registrar will take steps to enforce this agreement with such Reseller so as to cure and prevent further instances of non-compliance.

26. Resellers shall publish on their website(s) and/or provide a link to the Registrants' Benefits and Responsibilities Specification: <http://www.icann.org/en/resources/registrars/registrar-rights/benefits> and shall not take any action inconsistent with the corresponding provisions of this Agreement or applicable law. Registrar will enforce compliance with the provisions of the agreement between Registrar and any Reseller that relate to the provisions of Registrar Services.

Provisions specific to .COM and .NET registrations

27. Registrant agrees to indemnify, defend and hold harmless the registrar and .COM .and NET Registry Operator, VeriSign, Inc., and its directors, officers, employees, agents, and affiliates from and against any and all claims, damages, liabilities, costs and expenses, including reasonable legal fees and expenses arising out of or relating to the Registered Name holder's domain name registration.

Provisions specific to .JOBS registrations

28. Registrant agrees to indemnify, defend and hold harmless the registrar and .JOBS Registry Operator and its directors, officers, employees, agents, and affiliates from and against any and all claims, damages, liabilities, costs and expenses, including reasonable legal fees and expenses arising out of or relating to the Registered Name holder's domain name registration.
29. Registrant agrees to (i) provide information regarding membership in a Human Resource Association, and the identity of any such association; (ii) to provide the URL of your existing company website; (iii) that Registrant has read, understood and agrees to be bound by the [.JOBS Registry-Registrant Agreement](#) (which is incorporated herein) as amended from time to time, the registrant eligibility requirements and the use restrictions; (iv) to abide by the [SHRM Code of Ethics](#) (which is incorporated herein); and (v) that the Registry Operator is an intended third-party beneficiary of this Agreement, with a right to enforce the terms and provisions contained herein.
30. Registrar and the .JOBS Registry Operator expressly reserve the right to revoke, cancel, deny, transfer, suspend, terminate or otherwise modify the rights of a Registered Name Holder, without any notice thereto, in the event of non-compliance by the Registered Name Holder with any provision of this Agreement, the Registry-Registrant Agreement, the registrant eligibility requirements and the use restrictions including, but not limited to, submission or use of untruthful, incomplete or fraudulent registration information during the application process or subsequently thereto.

Provisions specific to .ASIA registrations

31. Registrant acknowledges and agrees to obey, comply with and be bound by any and all registry rules, policies, and agreements, and any and all updates, revisions and modifications thereto, for this ccTLD, which may be found on the Registry Operator's, DotAsia Organisation Limited ("DotAsia"), [website](#), and which are incorporated herein.

32. Registrant further acknowledges and agrees to: (i) consent to the use, copying, distribution, publication, modification and other processing of Registered Name Holder's Personal Data by the .ASIA Registry Operator and its designees and agents; (ii) submit to proceedings commenced under ICANN's Uniform Domain Name Dispute Resolution Policy; (iii) submit to proceedings commenced under ICANN's Charter Eligibility Dispute Resolution Policy; (iv) immediately correct and update the registration information for the Registered Name during the registration term for the Registered Name; (v) comply with the .ASIA Charter Eligibility Requirement; and (vi) submit to proceedings commenced under other dispute resolution policies as set forth by DotAsia from time to time in the Registry Policies, including but not limited to expedited processes for suspension of a domain name by claims sought by intellectual property rights holders, Internet engineering and security experts or other competent claimants in the purpose of upholding the stability, security and integrity of the .ASIA Registry.

33. Registrant represents and warrants that it has made known to the Charter Eligibility Declaration Contact (the "CED Contact"), and the CED Contact has agreed, that the Registrant Contact and the CED Contact will jointly be defined as the Registered Name Holder, and that it shall be jointly responsible for the domain name in the event of a dispute or a challenge over your legal entitlement to or the ownership of the domain name. The CED Contact shall be bound by the provisions in the DotAsia Organisation Limited's .ASIA Charter Eligibility Requirement Policy published from time to time. Registrant agrees that it has obtained an agreement from the CED Contact that it shall remain the Operating Contact for all operations of the domain name, including but not limited to domain name transfer and updates.

34. Registrant agrees to indemnify, to the maximum extent permitted by law, defend and hold harmless DotAsia and its directors, officers, employees and agents from and against any and all claims, damages, liabilities, costs and expenses, including reasonable legal fees and expenses arising out of or relating to the Registered Name holder's domain name registration and/or use. This indemnification requirement shall survive the termination or expiration of this Agreement.

35. Registrar and the .ASIA Registry Operator expressly reserve the right to deny, cancel or transfer any registration that we deem necessary, in our discretion, to protect the integrity, security and stability of the registry, to comply with any applicable laws, government rules or requirements, requests of law enforcement, in compliance with any dispute resolution process, to avoid any liability, civil or criminal, on the part of us and/or Registry Operator, as well as their affiliates, subsidiaries, officers, directors and employees, per the terms of the registration agreement, or to correct mistakes made by Registry Operator or Registrar in connection with the domain name registration. Registrar and Registry Operator also reserve the right to freeze a domain name during resolution of a dispute.

36. Notwithstanding anything in this Agreement to the contrary, DotAsia is and shall be an intended third-party beneficiary of this Agreement. As such, the parties to this Agreement acknowledge and agree that the third-party beneficiary rights of DotAsia have vested and that DotAsia has relied on its third-party beneficiary rights under this Agreement in agreeing to Registrar being a registrar for the .ASIA top level domain. Additionally, the third-party beneficiary rights of DotAsia shall survive any termination or expiration of this Agreement.

Provisions specific to .MOBI registrations

This indemnification requirement shall survive the termination or expiration of this Agreement.

55. Registrar and the .INFO Registry Operator expressly reserve the right to deny, cancel or transfer any registration, or place any domain name on registry lock, hold or similar status, that we deem necessary, in our discretion, to protect the integrity and stability of the registry, to comply with any applicable laws, government rules or requirements, requests of law enforcement, in compliance with any dispute resolution process, to avoid any liability, civil or criminal, on the part of us and/or Registry Operator, as well as their affiliates, subsidiaries, officers, directors and employees, per the terms of the registration agreement, or to correct mistakes made by Registry Operator or Registrar in connection with the domain name registration. Registrar and Registry Operator also reserve the right to freeze a domain name during resolution of a dispute.

Provisions specific to .ORG registrations

56. Registrant acknowledge and agrees to: (i) consent to the use, copying, distribution, publication, modification and other processing of Registered Name Holder's Personal Data by the Registry Operator and its designees and agents; (ii) submit to proceedings commenced under ICANN's Uniform Domain Name Dispute Resolution Policy; (iii) immediately correct and update the registration information for the Registered Name during the registration term for the Registered Name; and (iv) acknowledge that the Registry Operator will have no liability of any kind for any loss or liability resulting from the proceedings and processes relating to the Sunrise Period or the Land Rush Period including, without limitation, the ability or inability of a registrant to obtain a Registered Name during these periods and the results of any dispute over a Sunrise Registration.

57. Registrant agrees to indemnify, defend and hold harmless the .ORG Registry Operator, Public Interest Registry, and its subcontractors, and the directors, officers, employees, affiliates and agents of each of them, from and against any and all claims, damages, liabilities, costs and expenses, including reasonable legal fees and expenses arising out of or relating to the Registered Name holder's domain name registration. This indemnification requirement shall survive the termination or expiration of this Agreement.
58. Registrar and the Registry Operator expressly reserve the right to deny, cancel or transfer any registration or transaction, or place any registered domain name on registry lock, hold or similar status, that we deem necessary, in our discretion, to protect the integrity and stability of the registry, to comply with any applicable laws, government rules or requirements, requests of law enforcement, in compliance with any dispute resolution process, to avoid any liability, civil or criminal, on the part of us and/or Registry Operator, as well as their affiliates, subsidiaries, officers, directors, and employees, per the terms of this Agreement, or to correct mistakes made by Registry Operator or Registrar in connection with the domain name registration. Registrar and Registry Operator also reserve the right to place on registry lock, hold or similar status a domain name during resolution of a dispute.

Provisions specific to .BIZ registrations

59. Registrations in the .BIZ TLD must be used or intended to be used primarily for bona fide business or commercial purposes. For purposes of these restrictions, "bona fide business or commercial use" means the bona fide use or bona fide intent to use the domain name or any content, software, materials, graphics or other information thereon, to permit Internet users to access one or more host computers through the DNS (i) to exchange goods, services, or property of any kind; (ii) in the ordinary course of trade or business; or (iii) to facilitate the exchange of goods, services, information, or property of any kind or the ordinary course of trade or business. Registering a domain name solely for the purposes of selling, trading or leasing the domain name for compensation, or for the unsolicited offering to sell, trade or lease the domain name for compensation does not constitute a "bona fide business or commercial use" of that domain name.
60. As a .BIZ domain name Registrant, you hereby certify to the best of your knowledge that (i) the registered domain name will be used primarily for bona fide business or commercial purposes and not exclusively for personal use or solely for the purposes of selling, trading or leasing the domain name for compensation or the unsolicited offering to sell, trade or lease the domain name for compensation; (ii) the domain name Registrant has the authority to enter into this registration agreement; and (iii) the registered domain name is reasonably related to the Registrant's business or intended commercial purpose at the time of registration.

61. As a .BIZ Registrant you are bound by our current domain name dispute policy that is incorporated herein and made a part of this Agreement by reference. In addition, you hereby acknowledge that you have read and understood and agree to be bound by the terms and conditions of the following documents, as they may be amended from time to time, which are hereby incorporated and made an integral part of this Agreement: [Uniform Domain Name Dispute Resolution Policy](#); and [Restrictions Dispute Resolution Policy](#).

The UDRP sets forth the terms and conditions in connection with a dispute between a Registrant and any party other than the Registry Operator or Registrar over the registration and use of an Internet domain name registered by Registrant.

The RDRP sets forth the terms under which any allegation that a domain name is not used primarily for business or commercial purposes shall be enforced on a case-by-case basis by an independent ICANN-accredited dispute provider. Registry Operator will not review, monitor, or otherwise verify that any particular domain name is being used primarily for business or commercial purposes or that a domain name is being used in compliance with the SUDRP or UDRP processes.

62. Registrant agrees that Registrar may modify the dispute policy. Registrant agrees that, by maintaining the reservation or registration of your domain name after modifications to the dispute policy become effective, you have agreed to these modifications. You acknowledge that if you do not agree to any such modification, you may terminate this Agreement. We will not refund any fees paid by you if you cancel or terminate your Services with us.

63. Registrant agrees that, if your use of our domain name registration services is challenged by a third party, you will be subject to the provisions specified in our dispute policy in effect at the time of the dispute. You agree that in the event a domain name dispute arises with any third party, you will indemnify and hold us harmless pursuant to the terms and conditions set forth below in this Agreement. If we are notified that a complaint has been filed with a judicial or administrative body regarding your use of our domain name registration services, you agree not to make any changes to your domain name record without our prior approval. We may not allow you to make changes to such domain name record until (i) we are directed to do so by the judicial or administrative body, or (ii) we receive notification by you and the other party contesting your registration and use of our domain name registration services that the dispute has been settled. Furthermore, you agree that if you are subject to litigation regarding your registration and use of our domain name registration services, we may deposit control of your domain name record into the registry of the judicial body by supplying a party with a registrar certificate from us.

64. We and the .BIZ Registry Operator, NeuLevel, Inc. expressly reserve the right to deny, cancel or transfer any registration that we deem necessary, in our discretion, to protect the integrity and stability of the registry, to comply with any applicable laws, government rules or requirements, requests of law enforcement, in compliance with any dispute resolution process, or to avoid any

liability, civil or criminal, on the part of us and/or NeuLevel, Inc., as well as their affiliates, subsidiaries, officers, directors and employees. We and NeuLevel, Inc. also reserve the right to freeze a domain name during resolution of a dispute.

65. You agree to indemnify, defend and hold harmless us and the .BIZ Registry Operator, NeuLevel, Inc., and its directors, officers, employees, agents, and affiliates from and against any and all claims, damages, liabilities, costs and expenses, including reasonable legal fees and expenses arising out of or relating to the Registered Name holder's domain name registration. This indemnification requirement shall survive the termination or expiration of the registration agreement.

Provisions specific to .TV registrations

66. Registrant represents and warrants that he will meet the eligibility requirements of this ccTLD. Registrant is further acknowledging and agrees to be bound by any registry rules, policies, and agreements, and any and all updates, revisions and modifications thereto, for this ccTLD, which are available [here](#) and are incorporated herein.

Provisions specific to .CC registrations

67. Registrant represents and warrants that he will meet the eligibility requirements of this ccTLD. Registrant is further acknowledging and agrees to be bound by any registry rules, policies, and agreements, and any and all updates, revisions and modifications thereto, for this ccTLD, which are available [here](#) and are incorporated herein.

68. Registrant agrees to indemnify, defend and hold harmless the .CC Registry Operator, Verisign, Inc., and its directors, officers, employees, agents, and affiliates from and against any and all claims, damages, liabilities, costs and expenses, including reasonable legal fees and expenses arising out of or relating to the Registered Name Holder's domain name registration.

Provisions specific to .VLAANDEREN and .BRUSSELS registrations

69. Registrant will not distribute malware, abusively operate botnets, phishing, piracy, trademark or copyright infringement, fraudulent or deceptive practices, counterfeiting or otherwise engaging in activity contrary to applicable law.

Registrant agrees that Registrar may take actions to prevent such activities including suspension of the Domain Name.

Liability

70. The Registrar and registry are not liable for any damage or losses, of whatever nature, ensuing from or in connection with the registration of the domain name.

Settlement of domain name disputes

71. For the settlement of domain name disputes, the Registrar follows the Uniform Domain Name Dispute Resolution Policy on the ICANN website (www.icann.org/general/consensus-policies.htm), supplemented by the Dispute Resolution Procedure (<http://www.theregistrarcompany.com/pdf/Whitlabel-Dispute-Policy-v2.1-en.pdf>)

Escrow

72. The Registrar limits the risk of loss and/or corruption of the data by backing it up locally every 24 hours and by ensuring that a prominent escrow service makes daily backups of all contact profiles, name server profiles and domain names.

WHOIS status

73. Registrar may apply domain statuses such as "ClientTransferProhibited" by default, to prevent unauthorised transfers. Registrar will change this status on request of Registrant.
